A HOST OF ENEMIES

Raised Up in Populist Ranks by
Recent Acts

OF THE GOVERNOR AND HIS CROWD.

An Immense Combination to Down
Him for Recomination—Forte to Go
Next.

The road of the Populist party in Kan-
sas is becoming decidedly "rocky." Many
of the most prominent members of the
party outside of administration circles,
are now convinced that there is a settled
determination on the part of what they
call the "statehouse crowd" to force a
renomination of the ticket of '92, and if
they go down, whether at the convention
or at the polls, to drag the party down
with them.

splendid gift, together with the milk
brought daily by Milkman Brown, is doing
more good to the sick and starving
than can be told.
